Have your vehicle serviced regularly as per the manufacturer's guidelines by a VAT registered garage. You've got 28 days or 750 miles (whichever is sooner) from the service due date to have it completed. Your vehicle must also be kept in a roadworthy, legal condition, be taxed, insured and hold a current MOT certificate.

Keep hold of the service invoices as we may require them if you need to make a claim.

Carry out any routine maintenance as required i.e. topping up and changing of oils, coolants and antifreeze. We won't pay for any repairs if your vehicle isn't maintained properly.

Follow the claims process in this document. It's really easy but we cannot stress how important this is for your claim to be considered. If you need assistance, please call us on 0333 335 5616.

Don't ignore any warning lights, signals or gauges as you could make the problem worse which may affect our decision. Any faults which might be covered must be reported to us immediately.

YOUR COVER MAY BE INVALIDATED IF YOU DON'T COMPLY WITH THESE OBLIGATIONS

Plus, our friendly and helpful team is always here to assist you whenever you need us, so you can feel at ease knowing your vehicle is in good hands.

We'll contribute to the cost of repairs, including parts, labour, and VAT, up to your claim limit. Below is a quick summary of what is covered — please refer to the relevant pages for any exclusions.

Important: All repairs must be authorised by us before work can commence. Failure to do so will result in us being unable to pay your claim.

Follow the steps below

- 1 If a fault becomes apparent. Your vehicle will need to be booked in at a garage for diagnosis and estimate for repair.
- 2 Following diagnosis please email the diagnostic report and estimate for repair with current mileage and Registration number and a full breakdown of parts, labour cost/hours including Vat to claims@evolutionwarranties.com, please contact us before progressing with the repair as we are unable to consider your claim afterwards.
- 3 When our liability is established, we'll provide an email detailing approved repairs.

Important: Should you instruct the garage to commence work without our authorisation, you do so in the knowledge that your claim may be declined due to denying us the opportunity to inspect the vehicle and determine the cause of failure. You are responsible for any excess parts and labour charges, plus any repairs which aren't covered under your plan.

How to receive payment

Following the repair, you or the garage must send us a copy of the repair invoice emailed to claims@evolutionwarranties.com, along with any documents we've requested. Make sure the invoice is made out to Evolution Warranties Ltd, otherwise we won't be able to reimburse any VAT element.

REMEMBER: YOUR CLAIM CAN ONLY BE PAID IF THIS PROCESS IS FOLLOWED CORRECTLY

In addition to the terms on the previous page, there are some other important things you need to be aware of when requiring claims assistance:

1. We reserve the right to contact garages to discuss potential liabilities, and nominate the garage and / or the supplier of the parts. We also reserve the right to use guaranteed reconditioned or exchange parts, and to send any parts away for reconditioning or inspection
2. Where the repair or replacement of the parts or assemblies brings about improvement or betterment of the vehicle, we reserve the right to require a contribution from you towards the cost of the repair at our reasonable discretion. We will discuss this with you before the repairs commence, taking into account the current age and mileage and the cost of restoring the vehicle to its pre-breakdown condition
3. If the cause of failure is not evident from the diagnosis, your vehicle may need to be stripped or disassembled to some extent for a claim to be considered. This will only be done on your authority and the costs will remain your responsibility until the claim is authorised
4. To establish liability, there may be times when we need to instruct an independent assessor to inspect and report on their findings. The results of these findings are final and binding on all parties. If, following specific arrangements, the vehicle is not available or the assessor is unable to carry out the report (for instance if the vehicle is not stripped), we will deduct fees for the second inspection visit from the authorised claim amount
5. Repair times are calculated inline with the repair times definition on the contents page at the agreed labour rate. Our liability will be based on the repair times as shown for the specific repair
6. All faults must be registered with us immediately
7. You may be required to provide proof of servicing with a recent service invoice from a VAT registered garage before a repair can be considered
8. You have 45 days from the date of the authorisation to complete the repairs and submit the invoice to us for payment. After this time, the claim will be cancelled and no reimbursement is possible.
9. This warranty is limited to one repair of each covered part
10. If more than one part has failed at the time your claim is agreed, it will be dealt with as one claim
11. In the event of a false or fraudulent claim, your warranty will be invalidated. We also reserve the right to prosecute in all cases

1. No part of this document may be altered without our consent. Your warranty is in addition to any legal rights that may apply.
2. Your warranty is governed by English law and this is the law we will use unless you ask us for another and we agree to it within 30 days of the date that your cover starts. Any communications regarding your cover will be in English.
3. You must give us all of the information and help that we require in order to provide service under your plan. This also applies where we wish to enforce any rights against any manufacturer, repairer, supplier or other party.
4. You must comply with all of the terms and conditions of this warranty, including 'Your obligations'. Any liability we may have depends on your compliance with these terms and on the truth of your statements.
5. If you give us incorrect information, we may consider your application fraudulent and reserve the right to cancel it with no reimbursement. Where we have made any payments as a result of your dishonesty or exaggerated behaviour, your cover will be invalidated with immediate effect and you will again not receive any reimbursements. We also reserve the right to take legal action against you to reclaim any repair payments made. Any legal proceedings will be held in the courts of England and Wales.
6. You must allow us free access to examine the vehicle at all times.
7. You are responsible for authorising the repairer to commence the work required and for paying the costs involved if the work proves that the repair is outside of our liability.
8. Subject to our approval and at our absolute discretion, we'll offer you the opportunity to upgrade your cover (where eligible) within 4 weeks of you taking it out, and also the opportunity to renew up to 30 days before your cover ends. If you'd like to be notified with these communications, we will assume you have given us permission to contact you by taking out this warranty.
9. Occasionally we may need to amend this warranty in relation to component coverage or wording, or inline with new laws and regulations. The latest T&C's are available by emailing.
10. We will not tolerate abuse, slander, false allegations or otherwise untoward behaviour under any circumstances and may cancel your cover at our discretion if any such behaviour occurs. In these instances, we also reserve the right to begin legal proceedings to reclaim costs for any damages incurred should we deem necessary.

Payments and premiums

If you are upgrading or renewing your cover with us directly, we can take payment by debit or credit card. If you choose our monthly payment option, the **initial minimum** term is 12 months.

Transferring your cover to a new owner

If you sell your vehicle, you can apply to transfer your cover to the new owner providing they don't work in the motor trade. A £25 admin fee applies please email accounts@evolutionwarranties.com with the new owners details and vehicle registration and we will contact you to take payment.

Cancellation

You can cancel your cover within 14 days from the start date. If your cover was purchased through the dealer, the dealer's refund warranty will apply if applicable. If it was purchased directly from us, we will refund you providing no claims have been made during this period. After the 14 days no refunds are possible.

Discretion

We use our own discretion to ensure that you receive a fair and equitable resolution to every claim you make. If after following the complaints procedure below you feel that your complaint has not been resolved satisfactorily, our Directors will be the final arbiters for the exercise of this discretion. This does not affect your statutory rights.
